**COMMISSION INVESTIGATIVE STAFF'S NOTICE  
OF PARTIAL PARTICIPATION**

The Supplement to the Strategic Human Capital Plan 2009-2013 ("SHCP"), issued by the Commission on January 18, 2011, mandates that on a trial basis, the Office of Unfair Import Investigations ("OUII") will implement a number of alternative staffing approaches in Section 337 investigations. One such staffing approach is that OUII will participate in a "selective manner" in certain investigations.

Notice is hereby given that OUII's participation in the above-captioned investigation will be limited to issues relating to U.S. Patent Nos. 8,228,827, 7,782,749, 8,208,438 and 8,165,081, public interest related issues, as well as issues relating to Respondents' FRAND and/or standard essential patent related defenses.

Respectfully submitted,

/s/ Anne Goalwin
