**INJUNCTION FOLLOWING  
GRANTING, IN PART, OF TCL'S  
MOTION FOR ANTI-SUIT  
INJUNCTION**

TELEFONAKTIEBOLAGET LM  
ERICSSON *et al.*,

Plaintiffs,

v.

TCL COMMUNICATION  
TECHNOLOGY HOLDINGS, LTD. *et al.*,

Defendants. \_\_\_\_\_

1 For the reasons set forth in its Order dated June 29, 2015 [Dkt. 279-1], the  
2 Court granted, in part, the Motion for Anti-Suit Injunction filed by Plaintiffs TCL  
3 Communication Technology Holdings, Ltd., TCT Mobile Limited, and TCT Mobile  
4 (US) Inc. (collectively, TCL). Consistent with that Order, TCL and Defendants  
5 Telefonaktiebolaget LM Ericsson and Ericsson Inc. (together, Ericsson) are hereby  
6 enjoined as follows:

7 (1) Within twenty days of the Court entering this Injunction, to the extent  
8 they have not already done so, Ericsson (or the relevant affiliate or  
9 subsidiary of Ericsson) and TCL (or the relevant affiliate or subsidiary  
10 of TCL) will jointly request a stay (or other analogous procedure  
11 depending upon the jurisdiction) of all claims and counterclaims in all  
12 litigations relating to any Ericsson patent that Ericsson contends is  
13 essential to the 2G, 3G, and/or 4G standards pending between Ericsson  
14 (or any affiliate or subsidiary of Ericsson) and TCL (or any affiliate or  
15 subsidiary of TCL) anywhere in the world outside of this Court,  
16 including but not limited to the matters pending between Ericsson (or  
17 any affiliate or subsidiary of Ericsson) and TCL (or any affiliate or  
18 subsidiary of TCL) in France, the United Kingdom, Brazil, Russian  
19 Federation, Argentina, and Germany. In the event a stay is not  
20 permitted under the laws or procedure of the local jurisdiction, or, if the  
21 parties' joint request for a stay is denied by the court, Ericsson and  
22 TCL will work together to promptly request a dismissal without  
23 prejudice (or other analogous procedure depending upon the  
24 jurisdiction) of such claims and counterclaims;

25 (2) Following entry of this Injunction and until final judgment in both *TCL*  
26 *v. Ericsson*, No. 8:14-cv-341 (C.D. Cal.) and *Ericsson v. TCL*, Case  
27 No. 2:15-cv-02370 (C.D. Cal.), unless further ordered by the Court,  
28 Ericsson (or any affiliate or subsidiary of Ericsson) and TCL (or any

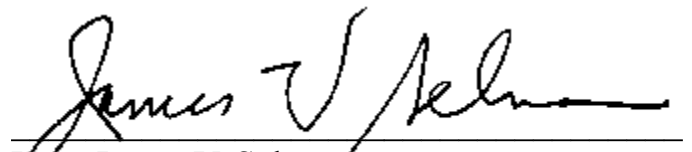

1 affiliate or subsidiary of TCL) will not initiate, anywhere in the world,  
2 any litigation, administrative action, or analogous proceeding alleging  
3 (non-)infringement, (in)validity, (un)enforceability, or (non-)  
4 essentiality of any Ericsson patent(s) that Ericsson contends is essential  
5 to the 2G, 3G, and/or 4G standards;

6 (3) Nothing in this Injunction impacts Ericsson or TCL's right to pursue  
7 litigation or advocacy relating to any patent (including, but not limited  
8 to, renewing any pending applications to amend patents) where such  
9 litigation or advocacy does not involve the other party, or any affiliate  
10 or subsidiary of the other party; and

11 (4) This Injunction shall expire after the final judgment (inclusive of all  
12 appeals and post-trial proceedings) in both *TCL v. Ericsson*, No. 8:14-  
13 cv-341 (C.D. Cal.) and *Ericsson v. TCL*, Case No. 2:15-cv-02370 (C.D.  
14 Cal.), or otherwise as ordered by the Court.
